

Zirconia Grinding Papers

Zirconia is a hard wearing, efficient and economic grinding surface. Ideal for hard ductile materials where considerable stock is to be removed. Longer lasting than the equivalent Silicon Carbide papers and can be used in both manual and controlled preparation systems. Available as adhesive backed in grades of FEPA Grade P60g - P80g - P120g .

P60g Zirconia - LSCM

P60g Zirconia - SEM

Zirconia grinding papers can also be employed using our Magnetic System - See TDS 0034
